Qiacube User Manual

- safety information

1.2 Qiacube User Manual
06 2008

Warning risk of personal injury and material damage

W2 The Qiacube is too heavy to be lifted by one person.

Qiaprep Spin Miniprep Columns

Qia Prep Spin columns contain a unique silica membrane that binds up to 20 g DNA in the presence of a high concentration of chaotropic salt and allows elution in a small volume of low salt buffer.
